December 2014

Dear Patient,

Welcome to National Jewish Health | Saint Joseph Hospital. We are excited to care for you in our new hospital, and we want to provide you with as much information as we can to help you feel comfortable during your stay.

Our Cystic Fibrosis patients are cared for on the 5th Floor Medical Unit. You may park for free in the main hospital parking garage (Visitor Parking Garage A) or use the complimentary valet service at the main entrance to the hospital (see enclosed map). Once inside, please check-in with the Welcome Desk staff in the main lobby. They will help guide you to the appropriate area on the 5th Floor. During your stay, you will be cared for by your National Jewish Health CF physicians, with support from both the National Jewish Health CF Program team and a hospital team who have been well-trained in caring for people with cystic fibrosis.

On behalf of your CF care team, we look forward to caring for you during your extended hospital stay. If you have any questions, please feel free to contact our Cystic Fibrosis Nurse Coordinators at 303.270.2333 or the CF Unit Patient Ambassador at 303.812.4672.

Sincerely,
