Dear Dr. Harbeck:

The information required for compliance with Section 5.83 of the regulations for the Pennsylvania Department of Health (P. L. 1539 as amended) has been received.

Therefore, effective December 10, 2003, your laboratory has been registered with the Bureau and may perform tests (other than in the subspecialties of alcohol, drugs of abuse, blood lead, and erythrocyte protoporphyrin) on specimens received from Pennsylvania.

In place of an actual permit, your facility is being issued this letter. Retain this letter in your file as proof of registration. The Bureau will **not** send a renewal for licensure.
