

December 2011

Butter Braid Winners!

Thank you SO MUCH to all of the students, parents, families and staff who helped to make our Butter Braid Fundraiser a success! All students who participated will enjoy a pizza snack. Ms. Kimling's class had the most participants and sold the most Butter Braids as a group, earning an ice cream party! These students, our top sellers, earned a trip to the prize closet and a special off-campus trip: Kyler, Alvi, Payten, Marisol, Alesha, Amadi, Serenity, Ana, Ajuanee, Jaeley and Antonio. A special honor, serving as principal and assistant principal, goes to Antonio and Jaeley for TOP levels in selling! Congratulations to all!

In Kunsberg's world of art...

Kunsberg's Winter Program is NEXT WEEK! It will be filled with stories and music, lots of laughter, fun and smiles. Students need to report back to homerooms at 6:45. Refreshments will follow the performance. Please **take medicines/pretreat at home**...there will NOT be a nurse available before or during the program.

Have a SAFE winter break! Enjoy!

Aundi's News Flash

Living in the Present is a Gift

December is one of those months that can cause us to feel both excitement and stress. It tends to be a time where people have great expectations for what the upcoming weeks will be like, but it also tends to be a time where many of us become over extended. As a result of this, it is easy to become so caught up in what we want this time to be like, or how it could be, that we forget to actually experience the PRESENT. However, one thing that I have learned about our students is that they value your willingness to just BE with them. My hope for each of you, and myself, is that as we enter one of the busiest times of the year, you will allow yourself to be present in every moment. And, as we learn about really living in the present, we may find that our future was nothing to worry about in first place. Have a great December!

Ms. Aundi
