

WELCOME!

We continue to welcome new students to Kunsberg. Our newest additions are Mya and Sade in Ms. Kimling's class, Iris in Ms. Huppert's class and Erick in Ms. White's class. We are so glad you are here.

October Bus Passes

Bus Passes are available the last 2 days of every month. This year we are providing a free pass to all of our students. All you have to do is sign the agreement form! If your student is in 5th grade or below, we will pay half the cost of an adult pass. (The regular price of an adult pass is \$70.00. We will pay \$35.00 of that for a parent). If you have any questions, or would like to pick up your pass,

PARENTS' WEB

You may have heard about our new School Management Software that allows teachers to record all attendance, lesson plans, grades, homework, and behavior reports online. It is now accessible to all Parents at Kunsberg so you can login and keep track of what your student is doing at school. You'll need to provide the school with your current email address (if you haven't done so already) and then follow the simple steps on the handout that went home this week. If you have any questions, please contact Katie in the school office at 303-398-1103.

Mrs. Freas' 411

We have had a few cases of H1N1 in the school. I have attached our policy for H1N1 so parents are well-informed.

On September 25th we held our first ever Kunsberg School Health Fair. I thought it was a huge success. I hope your student shared some of the information with you. If not, you might check with them for the bag of information.

I would like to thank the parents who volunteered their time to help. Research has shown the more that parents are involved at the school, the better their child will do.

A big thank you goes out to our parent volunteers:

|--------------------------------------|-------------------|
| Cindy Kennedy | Deborah Wilkerson |
| Kenny May | Carmen Held |
| Marcus Porter Sr. | Linda DeLuna |
| Deborah DeLuna | Marlo Joyce |
| Sharon Northcutt | Kim Hansen |
| Kristen Loveless and her friend Neru | |
| Rosalie Lovato | |

Hope we can do this again next year.

 If students have an appointment in the Pediatric Clinic please call the nurses at 303-398-1488, the day before the appointment if you are expecting a staff to walk your child over so you can meet them. Otherwise you can pick them up here at the school.

Kunsberg Kids R.A.P.

PBS Update

This is the second year that Kunsberg will be using Positive Behavior Support and the acronym RAP (Respect, Always be safe, Participation) to help students remember behavioral expectations. Positive Behavior Support is a national behavior initiative, supported by Colorado Department of Education that emphasizes taking a proactive and positive approach to behavior and greatly reduces the number of negative behaviors seen in school settings. To learn more about PBS you can go to the website www.PBIS.org. We are continuing to hand out RAP behavior bonus coupons when we 'catch' students being good and have home coupons available for families. If you are interested in receiving home coupons or have any questions about PBS please contact Kat Kimling.

Freddie's Library News

The October Scholastic **book orders**, which are **due Tuesday, Oct. 6**, will be the last ones for 2009. In November we will have a Scholastic Book Fair instead.

The first **RIF** (Reading Is Fundamental) distribution will take place on **Friday Oct. 16**.

RIF is a federally-funded project that provides brand new paperback books for your children to keep. The children will choose their books from a selection of new books.

Have a safe Fall break and Happy Halloween!
