

Advanced Diagnostic  
Laboratories

**Importance Notice: Laboratory Downtime**

Dear Valued Client:

The Advanced Diagnostic Laboratories' laboratory information system (LIS) will be taken offline in anticipation of scheduled software upgrades. This service interruption will begin on April 29 at 4 p.m. and will run through April 30. Samples submitted to the laboratories will be received and processed during that period. However, we recommend delaying shipments until digital entry into the laboratory information system is restored on May 1.

Please contact our Client Service Team at 800.550.6227 or [ClinRefLabs@njhealth.org](mailto:ClinRefLabs@njhealth.org), if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Steve Groshong". The signature is fluid and cursive, with a long, sweeping tail on the final letter.
