RE: Holiday Closure and Special Instructions

Dear Valued Client,

Please be advised that our laboratories will be closed and unable to receive shipments from major shipping providers (FedEx, UPS) on Christmas Day, the day after Christmas Day, and New Years Day, excluding Microbiology and Mycobacteriology, which will be accepting samples to identify highly infectious influenza and tuberculosis (TB) patients as quickly as possible.

Advanced Diagnostic Laboratories will not be receiving or processing samples on the following days:

Thursday, December 25, 2025

Friday, December 26, 2025

Thursday, January 1, 2026

Included with this notice is a list of Immunology, Complement, and Pharmacokinetics specimens with modified shipment receiving dates. These adjustments are necessary to ensure specimen integrity.

Please contact our Client Services team at 800.550.6227 with any questions. Our complete [2025 holiday schedule](#) is available at [njlabs.org](http://njlabs.org).
