2020 AWARD WINNER

“

The forum gave me an unparalleled opportunity to learn from talented colleagues nationwide at a similar career stage and to benefit from senior faculty expertise.

”

**Science Never Stops** – The Steering Committee for the Young Investigators' Forum will continue to monitor recommendations by the CDC related to COVID-19. In the event that a live conference is not possible in October 2021, the Forum will be held online.

17<sup>th</sup> Annual

# RESPIRATORY DISEASE Young Investigators' Forum

Developing the next generation of physician-scientists:  
a research mentorship and career advancement opportunity  
for fellows and early career faculty.

## WHY APPLY TO ATTEND?

- Opportunity to present and refine your research
- Receive mentoring to effectively enhance research presentations
- Explore strategies for career development and advancement
- Network with peers and renowned expert faculty
- Learn about new and emerging research in respiratory medicine
- Focused program for those interested in becoming physician-scientists
- Monetary awards for top 3 presenters in each category

## HOW IT WORKS:

Submit an abstract on your research (clinical or basic science), abstracts are blinded and scored by expert faculty. The top 30 abstracts are accepted and invited to attend the Forum as faculty to present their research in full. Based on scores of the expert faculty, **the top 3 presenters in each category will receive a monetary award to be used for their research at their institution.**

This educational activity is sponsored and certified for CME credit by National Jewish Health. This activity is supported by an educational grant from AstraZeneca Pharmaceuticals LP.
