

18TH ANNUAL RESPIRATORY DISEASE Young Investigators' Forum

Developing the next generation of physician-scientists:
a research mentorship and career advancement opportunity for
fellows and early career faculty.

OCTOBER 6-9, 2022
DENVER, CO

CALL FOR RESEARCH ABSTRACTS

DEADLINE: JUNE 17, 2022

Two Categories:

- Basic Science Research
- Clinical Research

WHY APPLY TO ATTEND?

- Opportunity to present and refine your research
- Receive mentoring to effectively enhance research presentations
- Explore strategies for career development and advancement
- Network with peers and renowned expert faculty
- Learn about new and emerging research in respiratory medicine
- Focused program for those interested in becoming physician-scientists
- Monetary awards for top 3 presenters in each category

HOW IT WORKS:

Submit an abstract on your research (clinical or basic science), abstracts are blinded and scored by expert faculty. The top 30 abstracts are accepted and invited to attend the Forum as faculty to present their research in full. Based on scores of the expert faculty, **the top 3 presenters in each category will receive a monetary award to be used for their research at their institution.**

This educational activity is sponsored and certified for CME credit by National Jewish Health. This activity is supported by an educational grant from AstraZeneca Pharmaceuticals LP.

“

The forum helped me to step back and take a broader look at my career trajectory, and to reflect deeply on how my scientific pursuits could impact the lives of patients.
