

Do you treat your asthma with inhaled steroids?

We are conducting an asthma safety study looking at Symbicort vs. Budesonide.

Qualifications include:

Asthmatics ages 18 and up

Study participation involves:

- 5 visits to our research unit over about 26 weeks
- Asthma tests at no charge
- Financial compensation for qualified study participants

For more information and to enroll in this study, please contact:

A Patient Recruiter at 303-398-1911

Principal Investigator:

Dr. Rohit Katial, M.D.
