- National Jewish Health for Kids / Pediatric Programs
- Food Allergy Program (Pediatric)
- Outpatient Clinic (Pediatric)
- Division of Pediatric Allergy & Clinical Immunology
- Allergy & Asthma Program (Pediatric)
- Allergy Treatment Programs (Pediatric)

My primary clinical interests include pediatric food allergy, eosinophilic esophagitis, and food protein induced enterocolitis (FPIES). My clinical research focuses on pediatric food allergy, including the development of more accurate diagnostic testing for food allergy, the role of baked egg in the natural history of egg allergy, and food allergy immunotherapy.

### Board Certification

2015: American Board of Allergy and Immunology  
2012: American Board of Pediatrics

### Education

2020 University of Colorado, MPH  
2005 - 2009 Medical College of Wisconsin (Milwaukee, WI), MD

### Residency

2012 - University of Texas Southwestern Medical Center/Children's Medical Center (Dallas, TX), Pediatric Chief Resident  
2009 - University of Texas Southwestern Medical Center/Children's Medical Center (Dallas, TX), Pediatrics

### Fellowship

2013 - 2015 University of Colorado/ National Jewish Health, Pediatric Allergy
