

- Associate Professor
 - Division of Cardiology
 - Department of Medicine
-

Conditions Treated:

- Cardiac Sarcoidosis
- Congestive Heart Failure
- Coronary Artery Disease (CAD)
- Diastolic Dysfunction
- Dyspnea (Shortness of Breath)
- Heart Valve Disease
- High Cholesterol
- Hypertension
- General Cardiology
- Arrhythmia & Palpitations
- Cardiac Imaging
- Cardiac MRI
- Cardiac/Coronary CTA
- Chest Pain
- Intracardiac Shunts

Programs & Services:

- Cardiology Programs
- Department of Medicine
- Anticoagulation Clinic
- Division of Cardiology (Adult)

My passion is outpatient and inpatient clinical cardiology. The connection experienced with patients during the diagnostic and therapeutic journey in their comprehensive care is the most rewarding part of my practice. I have worked in an academic setting (Duke University Medical Center) and a community-based practice (Alaska Heart & Vascular Institute) and feel National Jewish Health combines the best of both patient care settings.

My clinical passion is advanced cardiac imaging. The breadth and depth of these newer technologies adds significant clinical value in the care of our cardiovascular patients. Research is important to continue to optimize diagnostic utility. I am involved with two separate patient registries in cardiac MRI designed to increase clinical impact understanding and I have a research agreement with GE to research and clinically apply new MRI sequences and protocols. I have also been active in the leadership of the Society of Cardiovascular MRI and currently serve on the Clinical Practice Committee (chair position) and Clinical Trials Committee.

Additional clinical interests include prevention and management of coronary artery disease, hypertension, and dyslipidemia as well as diseases of the heart muscle, heart valves, and heart rhythm.

Board Certification

Cardiovascular Diseases
Cardiovascular CT
Internal Medicine

Education

Baylor University, BS, Biology
University of Texas Southwestern Medical School, MD
Mayo Clinic, Stanley J. Sarnoff Cardiovascular Research Fellowship

Residency

University of Texas Southwestern Medical Center, Internal Medicine
Parkland Memorial Hospital, Dallas VA Medical Center

Fellowship

Duke University Medical Center, General Cardiology
National Heart, Lung, and Blood Institute, National Institutes of Health, Cardiovascular MRI

Affiliations with the University of Colorado Denver

National Jewish Health, *Associate Professor of Medicine*
Duke University Medical Center, *Assistant Consulting Professor*
University of Washington School of Medicine, *Clinical Assistant Professor*

Professional Memberships

Fellow, American College of Cardiology (FACC)
Society for Cardiovascular Magnetic Resonance
Society for Cardiovascular Computed Tomography
Stanley J. Sarnoff Society of Fellows
