

- *Physician Assistant*
 - *Department of Pediatrics*
 - *Division of Pediatric Pulmonary Medicine*
-

Conditions Treated:

- *Chronic Cough*
- *Dyspnea (Shortness of Breath)*
- *Pneumonia*
- *Pediatric Lung Disease*
- *Exercise-Induced Shortness of Breath (Pediatric)*
- *Exercise Intolerance in Children*
- *Hypoxemia (Pediatric)*
- *Exercise-Induced Asthma (EIA)*
- *Bronchopulmonary Dysplasia*

Programs & Services:

- *Respiratory Treatment Programs*
- *National Jewish Health for Kids / Pediatric Programs*
- *Exercise & Performance Breathing Center*
- *Pulmonary Diagnostic Center (Pediatric)*
- *Division of Pediatric Pulmonary Medicine*
- *Asthma Treatment Programs (Pediatric)*
- *Department of Pediatrics*
- *Spirometry Testing*
- *EILO/VCD Program*

My clinical interests include pediatric exercise intolerance, asthma, and other general pediatric pulmonary problems. My research interests include exercise-induced laryngeal obstruction.

Board Certification

National Commission on Certification of Physician Assistants

Education

University of Colorado Anschutz Medical Campus, Child Health Associate/Physician Assistant Program
