

- *Chair, Department of Medicine*
 - *Professor of Medicine*
 - *Department of Medicine*
-

Conditions Treated:

- *Autoimmune Lung Diseases*

Research Areas:

- *Pulmonary Fibrosis*
- *Inflammatory Lung Disease*

Programs & Services:

- *Interstitial Lung Disease (ILD) Program*
- *Division of Rheumatology*
- *Department of Medicine*

Research Interests

Mechanisms responsible for the initiation and progression of lung fibrosis. Lung disease in patients with autoimmune disorders such as rheumatoid arthritis and scleroderma, among others.

Board Certification

Internal Medicine Pulmonary

Education

University of Minnesota Medical School, Medical School

Residency

Providence Medical Center, Medical Residency
Providence Medical Center, Chief Medical Resident

Fellowship

National Jewish Health/University of Colorado Health Sciences Center, Pulmonary/CCM, Research Fellowship
Maine Medical Center, Pulmonary/ CCM Fellowship

Affiliations with the University of Colorado Denver

Professor, University of Colorado, Denver School of Medicine
