

- *Assistant Professor*
 - *Department of Medicine*
 - *Division of Pulmonary, Critical Care & Sleep Medicine*
 - *Interstitial Lung Disease Program*
-

Conditions Treated:

Research Areas:

- *Acute Lung Injury*
- *Pulmonary Fibrosis*
- *Lung Injury and Repair*
- *Microparticles in Lung Disease*

Programs & Services:

- *Department of Medicine*
- *National Jewish Health - Saint Joseph Hospital*
- *Division of Pulmonary, Critical Care and Sleep Medicine (Adult)*
- *Interstitial Lung Disease (ILD) Program*

Clinical Interests:

My clinical interests are in interstitial lung disease and critical care medicine, specifically acute respiratory distress syndrome (ARDS) and septic shock.

Research Interests:

The focus of my research is on mechanisms leading to injury of the lungs, as well as how the lungs can be repaired following injury. Our lab has a particular interest in how macrophages in the lung regulate these processes.

Board Certification

2015: Critical Care Medicine
2014: Pulmonary Medicine
2011: Internal Medicine

Education

2004 - 2008 University of Minnesota Medical School, MD

Residency

2008 - 2011 University of Colorado, Resident, Internal Medicine
2011 - 2012 University of Colorado, Chief Resident, Internal Medicine

Fellowship

2012 - 2015 University of Colorado, Fellow, Pulmonary and Critical Care Medicine
2015 - 2016 University of Colorado, Research Fellow, Pulmonary and Critical Care Medicine

Teaching or Professional Positions

2016: Instructor, National Jewish Health

Professional Memberships

American Thoracic Society

Awards & Recognition

2014-2016: National Research Service Award, NIH, NHLBI

2015: Selected for Eleventh Annual Respiratory Disease Young Investigators' Forum, Atlanta GA
