  - *Department of Medicine*
- 

### Programs & Services:

- *Pulmonary Hypertension Program*
- *Department of Medicine*
- *Division of Pulmonary, Critical Care and Sleep Medicine (Adult)*

My clinical interests are in the diagnosis and treatment of pulmonary vascular disease. Our team strives in providing patients with individualized treatment and a dedicated focus on leading-edge treatments and personalized care. My other academic interest are in the treatment of critically ill patients with respiratory failure, pulmonary embolism (PE) and acute lung injury (ALI).
