

Conditions Treated:

Research Areas:

- *Translational Research*
- *Longitudinal Data Analysis*
- *Measurement Error Models*
- *Nonparametric Regression*
- *Observational Studies and Clinical Trials*
- *Order-Restricted Inference*
- *Analysis of data from basic science experiments*
- *Basic Science*
- *Clinical Pharmacology*

Research Interests

Biostatistics. Observational studies, air pollution studies, order-restricted inference, nonparametric statistics, multivariate statistics

Education

1989 Colorado State University, BS, Math and Statistics

1991 Colorado State University, MS, Statistics

1998 Kansas State University, PhD, Statistics

Teaching or Professional Positions

2001-Present: Associate Professor, Division of Biostatistics & Bioinformatics, National Jewish Health

1999-2001: Adjunct Assistant Professor, Department of Statistics, UCLA

1995-98: Instructor for Statistics, Kansas State University

1990-91, 1995: Instructor for Statistics, Colorado State University

Affiliations with the University of Colorado Denver

Associate Professor, Department of Biostatistics, Colorado School of Public Health

I currently teach Analysis of Longitudinal Data (BIOS6643) to graduate students.
