IMPORTANT NOTICE: Laboratory Test Name Changes

National Jewish Health Advanced Diagnostic Laboratories has made minor name changes to the following laboratory tests and order names. These changes will be reflected in printed reports, on our Directory of Service and on our online ordering system MD Bridge effective August 15, 2013. Please note that the test codes have not changed.

Test Code	Previous Test Name	Updated Name
PNU12	Pneumococcal polysaccharide IgG Ab 12 serotypes	Pneumococcal Antibodies
QFT	QuantiFERON -TB Gold In-Tube	TB QuantiFERON Test
TET	Tetanus IgG Ab	Tetanus Antibodies

Please call client services at 800.550.6227 if you have any questions.
