RE: Holiday Closure & Special Instructions

Dear Valued Client,

Please be advised that Advanced Diagnostic Laboratories will be unable to receive shipments from major shipping providers (FedEx, UPS) on July 4.

Our laboratories will be officially closed in observance of the federal holiday and will not be receiving or processing samples - with two exceptions. Our Microbiology and Mycobacteriology laboratories will accept samples on July 4 in order to identify highly infectious COVID-19 and tuberculosis (TB) patients as quickly as possible.

We also have modified receiving dates for Immunology, Complement and Pharmacokinetics specimens due to the holiday. These adjustments are necessary to ensure specimen integrity.

Please contact our Client Services team at 800.550.6227 with any questions. Our complete **2022 holiday closure schedule is available at njlabs.org.
