Please….Do **not** wear any of the following:

► Perfumes
► Colognes
► Aftershave
► Scented Lotions
► Scented Hair Sprays

These can irritate and increase respiratory symptoms in some of our patients.

**Thank you** for your cooperation!
General Information
The Pediatric Clinic at National Jewish is designed to provide patients and their families a multi-disciplinary approach to managing your child's illness. Our physicians are specially trained in Pediatric Asthma and Allergy, as well as Immunology, Psychiatry, Rheumatology, and Pulmonology.

Day of Admission
We ask that families arrive 30-minutes before their scheduled appointment, and report to the Check-In desk on the second floor of the May Building. If your child needs medical attention before their appointment, you may be seen in the Pediatric Triage area, where your child can receive immediate care. Please call (303) 398-4461, if you are concerned. If your child is having significant breathing problems or other emergent conditions, call 911.

In this packet, you will find a Pediatric Initial Evaluation Form. We ask that you complete this and hand carry it with you. It is important that you have this questionnaire completed by the time of the appointment.

Should your arrival time be delayed, please call (303) 398-1515, as it may be necessary to reschedule your appointment.

Length of Stay
Anticipated length of treatment varies from patient to patient, and depends upon whether your child is considered a local or non-local patient.

Local Patients
For local patients, we will schedule a 1-hour first-time evaluation appointment with the physician. For patients scheduled into the Asthma Allergy Clinic, allergy skin testing, which lasts 45-minutes, will also be scheduled, when necessary. Allergy skin testing will be done at the physician's discretion and after discussion with the parents. A follow-up appointment is advised to discuss treatment and test results.

Non-Local Patients
For non-local patients, we will schedule a seven (7) day visit. Generally, this will require you to stay over the weekend. We will schedule three (3) appointments with the same physician spaced out over the seven (7) days. The first appointment will last 90-minutes, the following two (2) lasting 30-minutes each. We schedule in this manner, so that you and your child are locally available should the physician need to order any tests or procedures during your child's stay.

Non-Local Immunology Patients
For patients scheduled with Dr. Gelfand, we will schedule a 90-minute appointment. We would ask you to be available through the Friday following your appointment to complete any necessary testing.
Family Members and Visitors
We understand that some families have no alternative but to bring siblings, however, we strongly recommend that families arrange for adult supervision. If no alternative arrangements can be made, parents must understand that there is no child care available, and that all children must be supervised at all times.

Where to Stay
Please refer to the Lodging List sheet included in this packet. It includes a list of local area hotels that offer special discounts and rates to National Jewish patients.

Getting to National Jewish
Please refer to the Travel Information sheet in your admission packet.

Cafeteria
The cafeteria is located on the first floor in the Perlmutter Dining Center. Patients, visitors, and employees are all welcome to dine there. (Please note, the cafeteria does not serve dinner.)

The cafeteria hours are:

<table>
<thead>
<tr>
<th>Meal</th>
<th>Hours (Monday - Friday)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Breakfast</td>
<td>7:00 am to 9:30 a.m.</td>
</tr>
<tr>
<td>Mid-Morning Snack</td>
<td>9:30 am to 10:30 a.m.</td>
</tr>
<tr>
<td>Lunch</td>
<td>11:30 am to 1:30 p.m.</td>
</tr>
<tr>
<td>Afternoon Snack</td>
<td>1:30 pm to 4:00 p.m.</td>
</tr>
</tbody>
</table>

Coin-operated vending machines are located throughout the hospital. A microwave oven is available in the cafeteria, and on the unit, and may be used free of charge.

Medications
Certain medications may need to be held prior to your child's arrival at National Jewish. Please refer to the Preparing for Your Tests handout included in your packet for specific medications. Please contact the Pediatric Clinic nursing staff at (303) 398-1691 with questions.

Patient's Access to Medical Records
A patient's medical record is documentary evidence of the course of his or her medical evaluation, treatment and health care services rendered under the direction of a qualified physician.

In accordance with Public Law 1018, National Jewish will honor all requests for inspection and/or photocopies of the medical record from current inpatients, discharged patients, outpatients, and emergency patients.

The patient medical summary is available without charge. Copies of additional medical record are also available. Please contact the Medical Records Correspondence Department at (303) 398-1256 for charges and directions. If a parent wishes to inspect and/or receive copies of their child's record, requests must be made in writing, signed and dated, and should be made through the Medical Records Department.

Whether your child comes to National Jewish as an inpatient or outpatient, we are pledged to protect your rights in our concern for your child's well being. We will deliver your child's medical care thoughtfully, considerately, and at all times strive for excellent quality of care.
Patient Billing
You may examine and receive an explanation of your bill prior to discharge. You may inquire about the availability of financial aid to assist in the payment of your hospital bill prior to receiving services. You can expect prompt and accurate information and assistance from hospital staff. Please contact our Patient Financial Office at (303) 398-1065 with any questions/concerns.

Pharmacy
National Jewish has an onsite pharmacy to provide prescription services for medications that your physician may prescribe during your stay. The pharmacy can process most prescription insurance claims electronically when the prescription is filled. However, payment by cash, check or major credit card is required when prescriptions are picked up at the pharmacy. We think that you will find our pharmacy services convenient and competitively priced. The pharmacy staff will be glad to answer any questions you may have regarding your medications or prescription charges by calling (303) 398-1582 or visiting the pharmacy located in the main lobby.

The pharmacy hours are:
  Monday - Friday, 8:30 a.m. to 6:00 p.m.;

Parking
Valet parking is available to our patients and visitors free of charge. The Valet parking hours are:
  Monday - Friday, 8:00 a.m. to 4:30 p.m.

Library
The Tucker Medical Library on the first floor of the Goodman Building is open to patients and their families. The emphasis of the library collection is scientific and medical, serving the health professional and research community. The library hours are:
  Monday - Friday, 8:00 a.m. to 5:00 p.m.

Limited materials are available on a consumer level. Popular fiction in the form of a paperback exchange is available, as well as popular recreational magazines. Patients and families are welcome to come to the library to sit and read in a quiet, pleasant atmosphere.

Photocopies can be made in the library for a fee of 10¢ per copy.

Newspaper stands are located in the lobby of the Goodman Building near the library, and on the second floor of the Goodman building near the elevators.

Security
National Jewish maintains a 24-hour security system. A security guard is on the premises at all times and is readily available, responding to all calls and assisting with any security problems you may have. If you have a problem or question concerning security, please inform your nurse who will contact the security guard. You may speak with the security guard privately.

All hospital building access is controlled by an electronic security system. Closed circuit TV cameras on patient entrance doors are used in the evenings for your security. A security escort is available as needed. Please contact (303) 398-1776 with any questions/concerns. Security guards will also escort patients and families to parking on campus, when requested.

Restricted Areas
Certain areas of the campus are off-limits to visitors. Special isolation areas are well marked.

Patient Representative Program
A Patient Representative is available to assist patients and families with special concerns that are not resolved by members of the patient's care team. Contact the Patient Representative by calling (303) 398-1076, or by dialing the in-house operator.
Your Guidelines as a Patient

You and your child will receive the greatest benefit from our care at National Jewish by meeting the following responsibilities:

- **DO NOT** wear perfumes, colognes, aftershave, scented lotions, or scented hairspray.

- National Jewish is a **NON-SMOKING** facility.

- Be honest and direct about aspects of your life that relate to your child's illness and experience here. Those who are caring for your child need to know your opinions and concerns so they can provide you and your child with the best care possible.

- Participate in patient education sessions and ask questions to learn about your child's medical condition and their treatment plan.

- Report any changes in your child's health to your doctor or nurse.

- Keep your scheduled appointments. Please notify the Pediatric Patient Administrative Services Department at (303) 398-1331 well in advance if you cannot keep an appointment.

- Know the medicines your child is taking.

- Support National Jewish's commitment to the education of future health professionals, including the specialized training of physicians. As in any teaching institution, patients receiving medical care in this hospital are an important part of this ongoing educational process.

- Your child may require testing at another healthcare facility. The staff will assist you in making these arrangements.

- Keep track of your personal belongings and valuables.

- Be considerate of other patient's privacy. Please limit your visitors, and request visitors to maintain a quiet atmosphere. Telephones and televisions are available in the patient rooms and lobby; no personal televisions are allowed.
If you want your medical records mailed to National Jewish Health, please comply with the following:

1. Complete the attached form.
2. Mail or hand deliver the attached form to your physician and/or hospital where services have been provided to you.

Please DO NOT mail the completed form to National Jewish Health.

According to Colorado State Statute, 6 C.C.R. 1011-1, Chapter 2 Part 5.2.3.4
the following fees may be charged for copies of medical records.
Records will be provided to other health care providers at no charge.

Authorization

- By initialing this area, I authorize the release of my health records that may include information indicating the presence of communicable or venereal diseases, which my include, but are not limited to: hepatitis, syphilis, gonorrhea and the human immunodeficiency virus, also known as Acquired Immune Deficiency Syndrome (AIDS or Human Immune Deficiency Virus (HIV)).
- By initialing this area, I authorize the release of my health records that may include information about behavioral and/or mental health services and/or treatment for alcohol and/or drug abuse.

This request is made voluntarily and the information given is accurate to the best of my knowledge.

I may revoke this authorization at any time in writing, but if I do, it will have no effect on actions taken prior to receiving the revocation.

I understand that information disclosed pursuant to the authorization may be subject to redisclosure by the recipient and is no longer protected by the HIPAA privacy rule.

Without my express revocation, this consent will automatically expire 180 days from the date signed below, unless I request an expiration date less than 180 days.

Signature

My signature is required to validate this Authorization. If I sign this form, my health care, the payment for my health care or my ability to enroll for benefits will not be affected.

I authorize National Jewish Health to release medical information to the above physicians.

Patient/Parent
Signature: ___________________________
Your doctor has recommended your child have certain tests as part of your evaluation at National Jewish Health. The most frequently ordered test is Allergy Testing. This test can include up to 40-skin pricks per appointment. The testing is usually done on the back and is relatively painless. Try to avoid lotions, oils, and creams on the back for this test. All oral antihistamines will need to be stopped prior to testing as they can affect the results. Check with your child’s doctor before you stop any medicines.

- Withhold oral antihistamines for the designated length of time before your appointment.

  ▶ Withhold these oral antihistamines for 5-days prior to your appointment:
    - Claritin® (Loratadine), Allegra® (Fexofenadine), Clarinex® (Desloratadine)

  ▶ Withhold these oral antihistamines for 3 - 4 days prior to your appointment:
    - Actifed®, Dimetapp®
    - Atarax®, Vistaril®
    - Benadryl®
    - Chlortrimeton®
    - Phenergan®
    - Tavist®, Antihist®
    - Actifed®, Aller-Chlor®, Bromfed®,
    - Drixoral®, Dura-tab®, Novafed-A®,
    - Onrade®, Poly-Histine-D®, Trinalin®,
    - Zyrtec®
    - Brompheniramine
    - Hydroxyzine
    - Diphenhydramine
    - Chlorpheniramine
    - Promethazine
    - Clemastine
    - Combination medicines
    - Cetirizine

  ▶ Withhold Singulair® (Montelukast) the night before your test.

  ▶ If your child is taking an oral antihistamine that is not listed, hold the medicine for 3 - 4 days before the appointment. If you are not sure if the medicine your child is taking is an antihistamine, ask your child's doctor, or call the Pediatric phone nurse at (303) 398-1355.

- Continue to take all other medicine as your child usually does.
National Jewish Health is committed to providing quality healthcare and service to all patients. We understand that billing and payment for healthcare services can be confusing and complicated. Knowing your insurance policy is vital to receiving the maximum benefits possible. Failure to meet your insurance requirements may result in partial or complete claim denial and/or a higher co-payment/or deductible. We request that you pay any insurance co-payments, deductible, and/or co-insurance at the time of registration.

Please be aware, National Jewish Health is a hospital facility and the physicians are employees of the hospital. Therefore, in addition to a specialty physician co-payment, a hospital co-payment, deductible, and/or co-insurance may apply. If you have any questions about your financial responsibility, please contact your insurance carrier.

As a courtesy to patients and their families, National Jewish Health submits claims to most insurance carriers. To insure proper and prompt processing of your claim, it is important that all current insurance information be presented at the time of pre-registration and/or admission. Please have a copy of your insurance card and your driver’s license or other form of identification with you when you check-in.

National Jewish Health is a specialty hospital. Consequently, many insurance plans require a referral in order to access healthcare at National Jewish Health. If your insurance plan has such a requirement, it is your responsibility to obtain a referral from your Primary Care Physician and/or Specialist Physician. Referrals can be faxed to (303) 270-2161.

If your insurance plan requires the medical services scheduled to be pre-certified or pre-authorized, National Jewish Health will attempt to obtain such approval from the insurance plan or the entity responsible for utilization management. Failure to meet your insurance requirements may result in partial or complete claim denial or a higher co-payment/or deductible, and you may be responsible for the remaining balance.

National Jewish Health staff are available to assist you in understanding your hospital insurance benefits. We attempt to verify your insurance benefits prior to medical services being completed. Estimates of your financial responsibility are based on the accuracy of this information. The insurance benefit information provided by your insurance plan is based on the latest information they have available. Please remember that your insurance plan benefits are a contract between you, your employer, and your insurance company. It is in your best interest to know and understand your benefits.

In the event you do not have insurance coverage, or cannot pay the patient responsibility portion of your bill, you will be asked to speak with one of our financial counselors. Our financial counselors are trained to assist you in meeting your financial obligations. We offer a variety of payment plans and prompt payment discounts. We accept all major credit cards. Financial counselors can also assist you in applying for charitable or public assistance programs for which you may be eligible. This service is provided to you at no cost. However, your cooperation is essential to successfully qualify for these programs. You are still financially responsible for the medical services until you are qualified for one of the programs. Please contact our Patient Financial Counseling Office at (303) 398-1065 with any questions prior to your visit.

Please remember that all of your co-payments for prescriptions will be collected at the Pharmacy.
To National Jewish from D.I.A.
Follow signs to Airport Exit. Merge on to Pena Blvd. And follow signs to I-70 West. Merge on to I-70 West. Travel west on I-70 until Colorado Blvd., exit #276B. Exit on to Colorado Blvd. and turn left (south). Go south on Colorado Blvd. (approximately 3.2 miles to Colfax Avenue.) Turn right (west) on Colfax Avenue. Take your first left (south) on to Jackson Street. Patient parking is ½ block south on the right.
For your convenience, National Jewish operates a gift shop that features unique gifts, cards, candy, snacks and goodies. It is fully stocked with day-to-day essentials, including over-the-counter items, health products recommended by our own medical staff, stamps, magazines, and books.

All proceeds from Nan and Dollie’s Gift Shop are used to purchase clinical and research equipment for National Jewish Health.

### Feeding and Nutrition:

Do you have any concerns about your child’s weight or height?

□ Weight loss  □ Poor weight gain  □ Too short  □ Too thin  □ Overweight

Does the child have?

Difficulty feeding?  □ Yes □ No  Loss of appetite? □ Yes □ No

Food avoidance?  □ Yes □ No
If yes, does the child avoid or refuse particular foods?
☐ Milk ☐ Egg ☐ Wheat ☐ Soy ☐ Peanut ☐ Tree nuts
☐ Fish ☐ Shellfish ☐ Others: ________________________________

Does the child avoid certain textures or types of foods?:
☐ Soft/mushy texture ☐ Crunchy texture ☐ Bolus foods (e.g. meats/breads)
☐ Spicy foods ☐ Others: ________________________________

Does the child cough or choke/gag when eating or drinking?
Liquids ☐ Yes ☐ No Solids ☐ Yes ☐ No
Others: ___________________________________________________

Genitourinary ☐ Bedwetting ☐ Wetting pants ☐ Encoporesis (soiling pants)
☐ Frequent urination ☐ Painful urination ☐ Menses: Onset: ____ years
☐ Other (specify) ___________________________________________

Muscles and Bones ☐ Fractures ☐ Back pain ☐ Joint pains ☐ Muscle pain
☐ Muscle weakness ☐ Other (specify) ___________________________

Neurologic ☐ Concentration problems ☐ Difficulty walking ☐ Headaches
☐ Numbness ☐ Tremors ☐ Seizures ☐ Weakness
☐ Other (specify) ___________________________________________

Skin ☐ Easy brusing ☐ Eczema ☐ Hair loss ☐ Hives/welts ☐ Infections
☐ Itching ☐ Lumps ☐ Rashes ☐ Other (specify) ______________________

Blood Diseases ☐ Anemia ☐ Easy bruising ☐ Bleeding tendency ☐ Hemophilia
☐ Sickle Cell Anemia ☐ Other (specify) ___________________________

Sleep ☐ Excessive daytime sleepiness ☐ Difficulties falling asleep ☐ Multiple night awakenings
☐ Frequent or loud snoring ☐ Stopping breathing during sleep ☐ Morning headaches
☐ Restless sleep (kicking, jerking, twitching) ☐ Difficulty waking in the morning
☐ Discomfort or pain in legs at bedtime/during the night ☐ Other (specify) _____________________

MEDICATIONS
What medications does your child take?
