THE FUND TO Cure Asthma
Dear

Bob & Sandy,

Thank you once again
for all you do to make this event so successful.

You both have been
terrific supporters and friends to
National Jewish Health and to us personally.

With much love and appreciation,

Marjorie and Stephen Raphael

At National Jewish Health, the nation’s leading respiratory hospital, we breathe hope. For 119 years, our personalized care and innovative treatments for respiratory, cardiac, immune and related disorders have transformed the lives of millions of patients and families.

Help us breathe hope. Your donation can help fund research and care for those with respiratory illnesses.

Breathing Science is Life.
Dear Friends,

Thank you for being a part of the 22nd Annual Golf Tournament benefiting The Fund to Cure Asthma. Your support enables us to continue to conduct the cutting-edge science and provide the compassionate care that make us the #1 respiratory hospital in the nation. Since we opened our doors 119 years ago, our physicians and researchers have intensively focused on breathing – how the lungs function best, how they are compromised by disease, and how we can help people breathe better.

*We breathe science, so you can breathe life.*

Our unsurpassed excellence in patient care and research, as well as our track record of success with lung, heart, immune and related diseases, have made National Jewish Health the destination for patients near and far.

We would appreciate the opportunity to show you in person how National Jewish Health is using precision medicine and coordinated care to change the way some of the world’s most challenging diseases are treated. Please let us know if you are interested in a Behind the Scenes visit. Our website (njhealth.org) is also a good resource to learn about our work and the conditions we treat.

On behalf of the dedicated faculty and staff at National Jewish Health, thank you for joining us at the 22nd Annual Golf Tournament. We are dedicated to the belief that Breathing Science is Life®. Best regards.

Sincerely yours,

Michael Salem, M.D.

THE FUND TO Cure-Asthma®
Dear Friends and Colleagues,

We are happy to have the opportunity to acknowledge the incredible fund and institution for which we are raising money today. National Jewish Health is the #1 respiratory hospital in the nation. It is changing lives all over the world through compassionate patient care and groundbreaking research. We are grateful that you have chosen to support asthma research and care at National Jewish Health.

We encourage you to page through this program and see all of the supporters who have helped make today possible. We would like to extend a special thank you to each of you, as you are generously helping to support the millions of people who suffer from respiratory, cardiac, immune and related diseases.

Again, thank you to all of the supporters, and to all of you who were able to join us today.

With gratitude,

Price, Quality, Service... Since 1934

Pearlgreen Corporation, a family owned and operated building maintenance and contractor supply company, has been serving the New York City tri-state area for over 80 years. Founded in 1934 by Irving Greenberg along with his wife Pearl, the company is now in its third generation, having undergone significant change through organic growth, acquisition, and physical expansion. Throughout these changes, Pearlgreen's commitment to unparalleled service, product quality, and competitive pricing continues to be our business model and the cornerstone of our success.

Why Select Pearlgreen?

Operating out of our state-of-the-art 110,000 square foot distribution center, Pearlgreen is your single supply source for over 15,000 products from over 400 quality manufacturers. Our 16 vehicle truck fleet with GPS tracking and complete computerization of our operation enable us to provide prompt next day delivery. Pearlgreen's experienced and knowledgeable customer service department is open Monday thru Saturday and our e-commerce website offers the convenience of placing orders online. Pearlgreen's devotion to superior service and attention to our customers needs are our primary goals as we continue on in the tradition of our founders and move forward into the future.

100% PIGEON-FREE WATER
No matter what's up on the roof.

If you live in New York City, there's a good chance your tap water comes from the iconic water tank on your building's roof. And that might not be water you want to drink straight from the tap.

But your apartment's drinking water can be clearer, cleaner and great tasting — if you have a Culligan® Aqua-Clear™ Advanced Drinking Water System.

By Using Culligan's Aqua-Clear Water Filters you are helping to reduce the amount of plastic bottles that end up in landfills. Culligan's Aqua-Clear Water Filters have been certified by NSF International which ensures your Culligan Filter has been tested under the highest industry standards.

Installation is fast. You'll be enjoying cleaner, clearer water in no time, and you'll never have to buy and store bottled water in your apartment again.

So call us today, and start enjoying better water, pure and simple.

The Mount Sinai – National Jewish Health Respiratory Institute is a collaboration between the Icahn School of Medicine at Mount Sinai, a top ranked academic medical center in New York City, and National Jewish Health, the nation’s leading respiratory hospital based in Denver. By combining the strengths of both entities, the integrated Respiratory Institute brings together leading expertise in diagnosing and treating all forms of respiratory illness and lung disease, including asthma, chronic obstructive pulmonary disease, interstitial lung disease and bronchiectasis.

For more information about the Respiratory Institute, visit www.therespiratoryinstitute.org or call 800.563.3498.

The Fund to Cure Asthma was founded by Nancy & James Berry Hill and Marjorie & Stephen Raphael in 1994 to raise critically important funds for basic and clinical research related to understanding, treating and eventually conquering this widespread, debilitating and sometimes fatal disease.

Since its inception, the Fund to Cure Asthma has raised more than $6 million to support National Jewish Health, the leading respiratory hospital in the nation. National Jewish Health has broken ground with discoveries that impact and improve the lives of asthma patients around the world.
