RE: Holiday Closure and Special Instructions

Dear Valued Client,

Please be advised that our laboratories will be closed and unable to receive shipments from major shipping providers (FedEx, UPS) on Memorial Day.

Advanced Diagnostic Laboratories will not be receiving or processing samples on Monday, May 25, 2026, excluding Microbiology and Mycobacteriology, which will be accepting samples to identify highly infectious influenza and tuberculosis (TB) patients as quickly as possible.

Included in this notice is a list of Immunology, Complement and Pharmacokinetics specimens with modified shipment receiving dates. These adjustments are necessary to ensure specimen integrity.

Please contact our Client Services team at 800.550.6627 with any questions. Our complete [2026 holiday schedule](https://www.njlabsonline.org/2026-holiday-schedule) is available at [njlabs.org](https://www.njlabsonline.org).
