Eighteen National Jewish Health Physicians Recognized for Excellence

JULY 27, 2018

DENVER — Eighteen National Jewish Health physicians were named "Top Doctors" on the 2018 list of Denver-area physicians published by 5280 Magazine. Top doctors are those named most often by more than 10,000 Denver metro-area doctors who were asked, specialty by specialty, which physicians they would trust to treat themselves or a loved one.

The 18 National Jewish Health physicians selected as the best in their field include:

- Laurie L. Carr, MD — medical oncology
- James J. Fenton, MD — pulmonary disease
- Steve D. Groshong, MD — pathology
- Flavia Hoyte, MD — allergy and immunology
- Karen Karwa, MD — neuromuscular medicine
- Elizabeth Kern, MD, MS — nephrology
- Jeffrey B. King, MD — gastroenterology
- Todd T. Kingdom*, MD — otolaryngology
- David A. Lynch, MD — diagnostic radiology
- Lisa A. Maier, MD — occupational medicine
- John Mitchell*, MD — thoracic and cardiac surgery
- J. Tod Olin, MD — pediatric pulmonology
- Cecile S. Rose, MD — occupational medicine
- Michael D. Schwartz, MD — critical care medicine
- Sheila Tsai, MD — sleep medicine
- Frederick S. Wamboldt, MD — psychiatry
- Michael Weyant*, MD — thoracic and cardiac surgery
- Brian K. Wise, MD — child and adolescent psychiatry

*These doctors' primary practices are at The Children's Hospital and/or University Hospital and have privileges at National Jewish Health.

National Jewish Health is the leading respiratory hospital in the nation. Founded 121 years ago as a nonprofit hospital, National Jewish Health today is the only facility in the world dedicated exclusively to groundbreaking medical research and treatment of patients with respiratory, cardiac, immune and related disorders. Patients and families come to National Jewish Health from around the world to receive cutting-edge, comprehensive, coordinated care. To learn more, visit the media resources page.
