

Thirteen National Jewish Doctors Named America's Top Doctors

DECEMBER 31, 2007

DENVER — Thirteen National Jewish Medical and Research physicians are among the best in the nation. That according to the 7th edition of “America’s Top Doctors,” published in 2007 by Castle Connolly. Last year twelve National Jewish doctors received the honor. More than 230,000 doctors are surveyed to compile the list of physicians recognized by their peers for excellence in providing care for specific diseases and problems. Less than one-percent of doctors nationwide are chosen for this honor. National Jewish doctors included are:

Allergy & Immunology:

Harold Nelson, MD

Infectious Disease:

Gwen Huitt, MD

Pediatric Allergy & Immunology:

Allan Bock, MD

Erwin Gelfand, MD

Donald Leung, MD, PhD

Pediatric Pulmonary:

Gary Larson, MD

Pulmonary Disease:

Kevin Brown, MD

Michael Iseman, MD

Barry Make, MD

Richard Martin, MD

Cecile Rose, MD

Marvin Schwartz, MD

Norbert Voelkel, MD

National Jewish Health is the leading respiratory hospital in the nation. Founded 124 years ago as a nonprofit hospital, National Jewish Health today is the only facility in the world dedicated exclusively to groundbreaking medical research and treatment of patients with respiratory, cardiac, immune and related disorders. Patients and families come to National Jewish Health from around the world to receive cutting-edge, comprehensive, coordinated care. To learn more, visit the media resources page.
