

Twenty-eight "Top Docs"

SEPTEMBER 30, 2009

DENVER — Twenty-eight physicians at National Jewish Health were named "Top Docs" in the annual ranking of Denver-area physicians by *5280* magazine. This list is compiled through a survey of more than 7,500 Denver metro-area doctors, who were asked, specialty by specialty, which physicians they would trust to treat them or their families. The twenty-eight National Jewish Health physicians selected as "Top Docs" are:

Dan Atkins, MD, allergy and immunology

[J. Kern Buckner](#), MD, cardiovascular disease

Leonard Dragone*, MD, pediatric rheumatology

[James Fenton](#), MD, pulmonary disease
