

Twelve National Jewish Health Doctors Named “America’s Top Doctors”

JUNE 04, 2010

Denver, CO — A dozen National Jewish Health physicians are among the best in the nation, according to the 9th edition of "America's Top Doctors," published earlier this year by Castle Connolly Medical, Ltd. More than 230,000 doctors are surveyed to compile the list of physicians recognized by their peers for excellence in different specialties. Less than one-percent of doctors nationwide are chosen for this honor. National Jewish Health doctors included among America's Top Doctors are:

Infectious Disease

Gwen Huitt, MD

Otolaryngology

Todd Kingdom, MD

Pediatric Allergy & Immunology

S. Allan Bock, MD

Erwin Gelfand, MD

Donald Leung, MD

Pediatric Pulmonology

Gary Larsen, MD

Pulmonary Disease

Kevin Brown, MD

Michael Iseman, MD

Barry Make, MD

Richard Martin, MD

Cecile Rose, MD

Marvin Schwarz, MD

National Jewish Health is the leading respiratory hospital in the nation. Founded 124 years ago as a nonprofit hospital, National Jewish Health today is the only facility in the world dedicated exclusively to groundbreaking medical research and treatment of patients with respiratory, cardiac, immune and related disorders. Patients and families come to National Jewish Health from around the world to receive cutting-edge, comprehensive, coordinated care. To learn more, visit the [media resources page](#).
