

Prominent Aspen Couples to be Honored at Fourth Annual Bella Sera August 3 Benefiting National Jewish Health

JULY 25, 2010

Denver, CO — Prominent Aspen residents will gather August 3 to honor Louise and David Gitlitz and Paula and Monty Loud at the fourth annual Bella Sera event benefiting National Jewish Health. Co-Chairs of the event are Denise and Warren Cohen, Debbie and Michael Feiner, Michael Goldberg, Amy Elias and Richie Pearlstone, Linda and David Stein, and Elle and Philip Winn.

The elegant event, set among the sweeping vistas at the exclusive Maroon Creek Club, raises funds to support National Jewish Health, known worldwide for treatment of patients with respiratory, cardiac, immune and related disorders, and for groundbreaking medical research. National Jewish Health provides nationally recognized care to Aspen Valley residents at pediatric and adult clinics in the Aspen area.

WHEN: Tuesday, August 3, 2010
5:30 to 8:00 p.m. cocktail reception

WHERE: Maroon Creek Club at 10 Club Circle in Aspen

WHY: National Jewish Health physicians treat adult patients with allergy, pulmonary and rheumatology disorders at the Aspen Valley Hospital, and for the last 18 years children with allergic and pulmonary diseases at the Midvalley Medical Centers in Basalt and New Castle. Since 1998, U.S. News & World Report has ranked National Jewish Health the #1 respiratory hospital in the nation.

Founded in 1899, National Jewish Health remains the only facility in the world dedicated exclusively to respiratory, cardiac, immune and related disorders.

HOW: Tickets to Bella Sera begin at \$350 per person. Sponsorships are available beginning at \$3,500. Contact Candace Wilson at 1-800-423-8891, ext. 1072, or via email at wilsonca@njhealth.org for more information to purchase tickets.

National Jewish Health is the leading respiratory hospital in the nation. Founded 121 years ago as a nonprofit hospital, National Jewish Health today is the only facility in the world dedicated exclusively to groundbreaking medical research and treatment of patients with respiratory, cardiac, immune and related disorders. Patients and families come to National Jewish Health from around the world to receive cutting-edge, comprehensive, coordinated care. To learn more, visit the media resources page.
