

## Twenty-two National Jewish Health Physicians Named Denver's "Top Doctors"

---

AUGUST 01, 2012

**5280**  
[ THE DENVER MAGAZINE ]

DENVER — Twenty-two National Jewish Health physicians have been named "Top Doctors" in the 2012 ranking of Denver-area physicians by *5280* magazine. The Top Doctors list comprises area physicians who were named most often in a survey of more than 8,500 Denver metro-area doctors, who were asked, specialty by specialty, which physicians they would trust most to treat them or their own families.

The twenty-two National Jewish Health physicians selected as Top Doctors in 2012 are:

Dan Atkins, MD, allergy and immunology

J. Kern Buckner, MD, cardiovascular disease

James J. Fenton, MD, pulmonary disease

Laura Z. Fenton\*, MD, pediatric radiology

Stephen K. Frankel, MD, critical care medicine

James T. Good, MD, pulmonary disease

Steve D. Groshong, MD, pathology

Thomas C. Hay\*, MD, pediatric radiology

Philip D. Hanna, MD, gastroenterology

Rohit K. Katial, MD, allergy and immunology

Todd T. Kingdom\*, MD, otolaryngology

Teofilo L. Lee-Chiong, MD, sleep medicine

David A. Lynch, MD, diagnostic radiology

Lisa A. Maier, MD, occupational medicine

Richard T. Meehan, MD, rheumatology

John D. Mitchell\*, MD, thoracic surgery

William T. Pluss, MD, pulmonary disease

Cecile S. Rose, MD, occupational medicine

Michael D. Schwartz, MD, critical care medicine

John D. Strain\*, MD, pediatric radiology

Frederick Wamboldt, MD, psychiatry & psychosomatic medicine

Sterling G. West\*, MD, rheumatology

-----

\*These doctors are on the National Jewish Health medical staff, but maintain their primary practices at The Children's Hospital Colorado or the University of Colorado Hospital.

**National Jewish Health** is the leading respiratory hospital in the nation. Founded 120 years ago as a nonprofit hospital, National Jewish Health today is the only facility in the world dedicated exclusively to groundbreaking medical research and treatment of patients with respiratory, cardiac, immune and related disorders. Patients and families come to National Jewish Health from around the world to receive cutting-edge, comprehensive, coordinated care. To learn more, visit the media resources page.
