

Two-day Kunsberg Classic at Shanahan's and The Sanctuary Benefits Chronically Ill Children at Nation

AUGUST 01, 2012

DENVER — The 11th National Jewish Health Kunsberg Classic, presented by RE/MAX LLC and sponsored by Shanahan's, will be held Aug. 5 and 6. For the second year, the event begins with a private dinner on Aug. 5 hosted at Shanahan's, Denver's premier steak and seafood restaurant, and continues with golf on Aug. 6 at The Sanctuary, the exclusive, world-recognized course in Sedalia, Colo.

The golf event will raise funds for Kunsberg School at National Jewish Health, a free day school for 90 chronically ill students in kindergarten through eighth grades.

Several nationally and internationally known businesses are taking an active role in supporting the event, including American Furniture Warehouse, GE Johnson Construction Company, Greiner Electric, Mortenson Construction and RK Mechanical.

Additional Kunsberg Classic sponsors include Hole in One Sponsor Kuni Lexus and tournament supporters David Engleberg and Eddie Robinson, Steve Arent and Rich Schierburg, Barbara Tornberg, Stanton Dodge, Lampson International LLC, Lockton Inc., Project One Integrated Solutions, Simplex Grinnell LP, ISED Inc., Long Building Technologies, Steve Kris, Cator Ruma and Associates, H + L Architecture, Interface Communications, Lewan and Associates, Sunquest, Sherman and Howard LLC, Trautman and Shreve, and GH Phipps Construction Co. Other supporters include Barry Silverman and Michael Feiner.

For information about sponsorship opportunities or to register for the event, go to KunsbergGolf.org or contact Michael J. Meyers at MeyersM@NJHealth.org or 303.728.6576

National Jewish Health is known worldwide for treatment of patients with respiratory, cardiac, immune and related disorders, and for groundbreaking medical research. Founded in 1899 as a nonprofit hospital, National Jewish Health remains the only facility in the world dedicated exclusively to these disorders. Since 1998, *U.S. News & World Report* has ranked National Jewish Health the #1 respiratory hospital in the nation.

Kunsberg School at National Jewish Health provides a safe, friendly and healthy school environment where students succeed academically, medically and socially. Many students are minorities, and most families are at or below poverty level. Typically, these students have fallen behind their peers in school because of illnesses including severe asthma and/or allergies, sickle cell anemia, diabetes, HIV/AIDS and other respiratory and related disorders. Kunsberg students eat nutritious meals, exercise daily, and practice positive social interaction. Upon graduation, Kunsberg students have the skills to lead healthy, productive, meaningful and active lives.

National Jewish Health is the leading respiratory hospital in the nation. Founded 120 years ago as a nonprofit hospital, National Jewish Health today is the only facility in the world dedicated exclusively to groundbreaking medical research and treatment of patients with respiratory, cardiac, immune and related disorders. Patients and families come to National Jewish Health from around the world to receive cutting-edge, comprehensive, coordinated care. To learn more, visit the [media resources page](#).
