"A Winter's Evening" dinner dance on Dec. 8 raised more than \$1.5 million and continued a 43-year tradition of support from New York's real estate and construction industries' leaders for National Jewish Health, the nation's number one respiratory hospital. In addition, all of the funds raised during a special silent auction at the event were earmarked for Hurricane Sandy rebuilding efforts.

More than 700 guests attended the gala, which honored [Robert J. Ivanhoe](#), National Jewish Health Humanitarian Award recipient.
