

## "America's Top Doctors" List Includes 24 from National Jewish Health

---

JULY 10, 2013

DENVER — Castle Connolly Medical, Ltd. has named 24 National Jewish Health doctors to its list of the best doctors in the nation in 2013. More than 230,000 doctors were surveyed to compile the list of physicians recognized by their peers for excellence in different specialties. Those selected are broken down into two groups: “National Top Doctors” and “Regional Top Doctors.

The 12 National Jewish Health doctors selected as “National Top Doctors” are considered among the top 1 percent of specialists around the country, and attract patients from around the nation.
