

Royalty, Bond and a Ball – National Jewish Health Pulls It All Together for Benefit Gala

FEBRUARY 22, 2013

DENVER — National Jewish Health knows just the right magical ingredients for the party of the year.

With the Queen's Jubilee celebration still fresh in our minds and Hollywood's celebration of the 50th Anniversary of James Bond at this weekend's Oscars, National Jewish Health has rolled everything royal up into a Ball. Not just any ball; but none other than one of the most anticipated social galas in Denver, the Beaux Arts Ball benefiting National Jewish Health.

Inspired by the Queen's Diamond Jubilee, the Beaux Arts Grand Court Ball will convene March 9 at the Hyatt Regency at Colorado Convention Center. You will be transported to another time and place with dancing and entertainment fit for kings and queens all night long.

Don't expect to see the Queen parachuting into the Ball, but prepare to be wowed by the "Bond Experience," a very timely auction item that includes cool cars, remote vacation spots and fine dining – James Bond style!

The Beaux Arts Ball will raise funds for National Jewish Health, [the #1 respiratory hospital in the nation](#), known worldwide for treatment of patients with respiratory, cardiac, immune and related disorders, and for groundbreaking medical research. We hope you will join us March 9.

Buy your tickets now – Contact Clem Connolly at 303.728.6546 or ConnollyC@njhealth.org.

Get the latest on the ball at the [Beaux Arts Ball Facebook page](#).

Use [#njhball](#) to monitor ball **tweets** and post your own.

National Jewish Health is the leading respiratory hospital in the nation. Founded 122 years ago as a nonprofit hospital, National Jewish Health today is the only facility in the world dedicated exclusively to groundbreaking medical research and treatment of patients with respiratory, cardiac, immune and related disorders. Patients and families come to National Jewish Health from around the world to receive cutting-edge, comprehensive, coordinated care. To learn more, visit the [media resources page](#).
