

Lia McGibbon Joins National Jewish Health

AUGUST 10, 2017

DENVER — [Lia McGibbon, DO](#), has joined the faculty at National Jewish Health in the Division of Rheumatology and Department of Medicine. She comes to National Jewish Health from the El Nuevo San Juan Health Center in Bronx, NY, where she provided care for an underserved population in a federally qualified health center. Additionally, she served as an Academic Hospitalist at Jacobi Medical Center. Dr. McGibbon specializes in the diagnosis and treatment of all rheumatologic diseases including, lupus, rheumatoid arthritis, inflammatory muscle diseases and gout. She will see patients at the National Jewish Health main campus in Denver.

Dr. McGibbon received her Doctor of Osteopathic Medicine at the Kansas City University of Medicine and Biosciences. She served her clinical fellowship at Montefiore Medical Center at the Albert Einstein College of Medicine. Dr. McGibbon is board certified in rheumatology and internal medicine.

National Jewish Health is the leading respiratory hospital in the nation. Founded 122 years ago as a nonprofit hospital, National Jewish Health today is the only facility in the world dedicated exclusively to groundbreaking medical research and treatment of patients with respiratory, cardiac, immune and related disorders. Patients and families come to National Jewish Health from around the world to receive cutting-edge, comprehensive, coordinated care. To learn more, visit the [media resources page](#).
