

Allergist Dr. Divya Chauhan Joins National Jewish Health

NOVEMBER 22, 2019

DENVER — [Divya Chauhan, MD](#), has joined the renowned faculty at National Jewish Health *for Kids* in the Department of Pediatric Allergy and Immunology. She comes to National Jewish Health from the University of Utah Hospital where she treated both adult and pediatric patients. At National Jewish Health, Dr. Chauhan will also see both adult and pediatric allergy and immunology patients. Her clinical practice is located at the National Jewish Health Highlands Ranch location.

Dr. Chauhan received her medical degree at University of Utah School of Medicine and completed her residency in pediatrics at Children's Hospital of Pittsburgh of UPMC. Additionally, she completed a fellowship in allergy/immunology at National Jewish Health.

National Jewish Health is the leading respiratory hospital in the nation. Founded 120 years ago as a nonprofit hospital, National Jewish Health today is the only facility in the world dedicated exclusively to groundbreaking medical research and treatment of patients with respiratory, cardiac, immune and related disorders. Patients and families come to National Jewish Health from around the world to receive cutting-edge, comprehensive, coordinated care. To learn more, visit the [media resources page](#).
