

Dr. Pranav Periyalwar Joins National Jewish Health Gastroenterology Team

JANUARY 21, 2019

DENVER — [Pranav Periyalwar, MD](#), has joined the faculty at National Jewish Health in the Division of Gastroenterology. He comes to National Jewish Health from the University Hospitals of Cleveland and Case Western Reserve University where he served as a gastroenterology staff physician and assistant professor of medicine respectively. Dr. Periyalwar specializes in gastrointestinal disease, endoscopy and liver disease. He sees patients and performs procedures on the National Jewish Health main campus.

Dr. Periyalwar received his medical degree at St. George's University School of Medicine. He completed his fellowship and residency in gastroenterology at Case Western Reserve University MetroHealth Medical Center. Additionally, Dr. Periyalwar has participated in research projects focused on liver disease and co-authored peer-reviewed publications. He is a member of the American Gastroenterology Association, American Society for Gastrointestinal Endoscopy and American Association for the Study of Liver Diseases.

National Jewish Health is the leading respiratory hospital in the nation. Founded 124 years ago as a nonprofit hospital, National Jewish Health today is the only facility in the world dedicated exclusively to groundbreaking medical research and treatment of patients with respiratory, cardiac, immune and related disorders. Patients and families come to National Jewish Health from around the world to receive cutting-edge, comprehensive, coordinated care. To learn more, visit the [media resources page](#).
