

Oncologist Dr. Rao Mushtaq Joins National Jewish Health

OCTOBER 06, 2020

DENVER — Rao Mushtaq, MD, has joined the oncology faculty at National Jewish Health in the Department of Medicine. He recently completed his fellowship in Hematology-Oncology at the University of Colorado School of Medicine. Dr. Mushtaq will practice general hematology and oncology at the National Jewish Health Northern Hematology Oncology campus in Thornton, Colorado.

Dr. Mushtaq received his Bachelor of Medicine and Bachelor of Surgery at Quaid-e-Azam Medical College in Pakistan, and completed a combined internal medicine and pediatrics residency at Hurley Medical Center/Michigan State University. Additionally, Dr. Mushtaq authored numerous peer reviewed journal articles and led several clinical research trials.

National Jewish Health is the leading respiratory hospital in the nation. Founded 121 years ago as a nonprofit hospital, National Jewish Health today is the only facility in the world dedicated exclusively to groundbreaking medical research and treatment of patients with respiratory, cardiac, immune and related disorders. Patients and families come to National Jewish Health from around the world to receive cutting-edge, comprehensive, coordinated care. To learn more, visit the media resources page.
