

## Pulmonologist Dr. Suraj Sunder Joins National Jewish Health

---

JANUARY 06, 2020

DENVER — [Suraj Sunder MD, MPH](#), has joined the nationally renowned faculty at National Jewish Health in the Division of Division of Pulmonary, Critical Care and Sleep Medicine. He comes to National Jewish Health following his fellowship in pulmonary and critical care medicine at Barnes-Jewish Hospital in St. Louis, Missouri. Dr. Sunder sees pulmonary and pulmonary hypertension patients at the National Jewish Health main campus and pulmonary patients at the National Jewish Health South Denver location. He also cares for ICU patients at Swedish Medical Center.

Dr. Sunder received his medical degree at Texas A&M School of Medicine. He completed his internal medicine residency at Mayo Clinic and Master of Public Health at Texas A&M School of Medicine.

**National Jewish Health** is the leading respiratory hospital in the nation. Founded 121 years ago as a nonprofit hospital, National Jewish Health today is the only facility in the world dedicated exclusively to groundbreaking medical research and treatment of patients with respiratory, cardiac, immune and related disorders. Patients and families come to National Jewish Health from around the world to receive cutting-edge, comprehensive, coordinated care. To learn more, visit the media resources page.
